

Kelin super glue is a new high-grade edge sealing product instead of glass glue. With the features of environmental and tasteless, it is suitable for varieties of joints, like home decoration, lavabo, kitchen table board, door window, wallpaper edge, etc. It is very elastic and will not break. At the same time, with the great performances of waterproof, mould proof, anti - pollution multi-effect integration, it does not add any solvent, and can effectively inhibit the breeding of bacteria, giving you a healthier, more environmental and beautiful living environment! As a [**China edge sealing adhesive supplier**](#), we are committed to creating high quality edge sealing products.
